The Valerie Fund

Our Mission

The Valerie Fund's mission is to provide support for the comprehensive health care of children with cancer and blood disorders.

Our Beginning

The Valerie Fund is a not-for-profit organization established in 1976 in memory of nine-year-old Valerie Goldstein by her parents, Ed and Sue.

Our Impact

Families turn to The Valerie Fund because of the unique combination of medical care, counseling, and other services it provides. The Valerie Fund Children's Centers comprise the largest network of healthcare facilities for children with cancer and blood disorders in New Jersey, and one of the largest in the nation. The Centers host approximately 25,000 patient visits each year.

Close to Home: Today there are seven Valerie Fund Children's Centers for Cancer and Blood Disorders located in major hospitals in New Jersey, New York, and the Philadelphia area providing caring, comprehensive, state-of-the-art outpatient health care to more than 4,000 children and their families each year. This network means that sick children are able to receive care close to their homes.

The Whole Patient: At The Valerie Fund Centers, patients receive far more than treatment for their physical illnesses. Our philosophy is that to truly heal the children with whose care we are entrusted, we must treat them emotionally, socially, and developmentally, as well as medically.
